Running order

- **Video Prof Gail Bradbrook (50 mins)**
 - Includes 2 min silence
- **Small group discussions (20 mins)**
- **Survey and break (20 mins)**
- **Plenary discussion and sharing (25 mins)**
- **Summary and Heart warmer**

Extinction Rebellion

- Deeper into a climate breakdown than is being reported?
- Heading towards a mass extinction?
- Are we doing enough to tackle climate change?
- Are solutions technologically possible?

- Is the barrier political will?
- Do you believe a few people can make a big difference?
- Is civil disobedience appropriate/effective?
 - What is/isn't acceptable in your view?
 - Where would you draw the line?
- Would you ever be prepared to be arrested for a cause?
- What can shift the Overton window?
- XR manifesto?

1. Govt tell truth
2. Zero carbon by 2025
3. Citizens' assembly

Survey

- After small group discussions
- Type bit.ly/tber1 into your address bar (not search engine)
- Complete the survey
